Sapiens: A Brief History Of Humankind (2011) - Plot & Excerpts Horrible creatures, Homo Sapiens. We've rampaged through history destroying stuff and it hasn't made us any happier. You'd probably come to that conclusion anyway, without having to read about the various revolutions that have brought us to our current state of world dominance teetering on the verge of self-destruction, but it's interesting to see it all set out blow by blow. That said, there are parts of this book that are like ...
