Saving Eutychus How To Preach

Saving Eutychus by Gary Millar and Phil Campbell is an entertaining book on how to keep people from dying of boredom because of one's preaching. This book is full of helpful information for both the young preachers who are just getting out of seminary and the more seasoned preachers who need a little more freshness in their preaching. In the first chapter, they emphasize the importance of prayer in preaching. Powerful, impacting preaching almost never occurs apart from a prayerful ...
