Schaum's Outline of Programming with C: Amazon.ca ...

This Schaum's outline is especially clear and doesn't try to cram too much information in one chapter. I particularly like this treatment because of the many opportunities for programming (in order to learn how to program you have to write code on your own). This book provides such exercises that have a strong math emphasis, an area in which I'm interested. The only reason I didn't give it the full 5-stars is that it doesn't conform fully to the ANSI standards, in particular as it relates to ...
