Schonberger World Class Manufacturing

[Schonberger World Class Manufacturing](#)

Schonberger World Class Manufacturing

Schonberger is originator of the now widely-used term (and supporting concepts), world class manufacturing.. Among his current activities, Dr. Schonberger is director of: 1. The Leanness Studies, an on-going tracking of inventory turnover data for more than 1,500 companies in 37 countries.

Schonberger World Class Manufacturing

According to Schonberger, world-class manufacturing depends on blended management -- rather than domination by a separate group of managers -- which marshalls resources for continual rapid improvement. To achieve world-class status, companies must change procedures and concepts, which in turn leads to recasting relations among suppliers, purchasers, producers, and customers. Acknowledging the ...
