James Ellroy's mastery for dark crime tales comes to the fore here with possibly his best book (certainly ranking alongside 'American Tabloid' for plot, and 'The Black Dahlia' for the characterisation of obsessives). The tale is the startling autobiography of a captured serial killer, Martin Michael Plunkett, from his childhood, through his career as a killer all across America, to his eventual capture by and mind-games with FBI Serial Killer Task Force agent Thomas Dusenberry.
