### **Situational Crime Prevention**

Situational crime prevention (SCP) is a criminological perspective that calls for expanding the crime-reduction role well beyond the justice system. SCP sees criminal law in a more restrictive sense, as only part of the anticrime effort in governance. It calls for minutely analyzing specific crime types (or problems) to uncover the situational factors that facilitate their commission. Intervention techniques are then devised to manipulate the related situational factors. In theory ...

Situational Crime Prevention 93 criminal justice system. The main reason for the relative lack of interest in situational prevention, however, may be unresolved difficulties about the implementation and delivery of situational measures and deeper concerns it provokes about the directions in which society may be moving with the approach of the twenty-first century (Bottoms 1990). Addressing ...

### **Situational Crime Prevention - JSTOR**

Situational crime prevention is quite different from most other criminological approaches to crime control. Proceeding from an analysis of the settings giving rise to specific kinds of crime or disorder, it seeks to introduce discrete managerial and environmental changes that will reduce the opportunities or incentives for crime.

### **My Essay: Situational crime prevention successful case ...**

The situational crime prevention (SCP) approach is informed by analysis that focuses on the crime, not the criminal. It values prevention over arrest and empowers the individual over the government to construct a safer environment when traditional law enforcement or military resources are not available (Clarke 1997; Goldstein 1979).

### **Situational crime prevention and worldwide piracy: a cross ...**

Situational crime prevention strategies are based on the 'routine activities' theory of crime - that is, that crime occurs where there is a clustering of a motivated offender, the opportunity to offend and the absence of a guardian. It is assumed that rationality applies not only to acquisitive crime but also to violent offending.

### **What Works to Reduce Crime?: A Summary of the Evidence ...**

Situational crime prevention represents a new strategy in which the core concept deals with working with crime through an understanding of the surrounding details rather than focusing on the crime itself or the perpetrator, which is attractive for policy makers as it can lead to tangible results easily studied (Gordon, 1998).
