The Standard Catalog of Smith & Wesson 4th Edition is a great reference book for the collector providing a wealth of information and photos of the early Smith & Wesson firearm models to the present. The 4th Edition does not have the same book cover quality nor does it include a dust cover like the 3rd Edition, but the pages are the same quality both providing excellent information on the history and details of the many improvements made to the firearms, including serial number ranges for ...
