Teaching Assistant / Paraprofessional Certification

Along with the increased need for paraprofessionals came the need for training and professional development. In 1998 Minnesota established core competencies that paraprofessionals hired to work in schools must acquire or demonstrate within the first 45 days of being hired. These core competencies, which form the basis of this handbook, are designed to provide the new paraprofessional with the ...

Special Education Paraprofessional Handbook

This hub is so nice because all nine ports are USB 3.0, giving up to 5GBs data transfer speed for newer devices while still being backward compatible with USB 2.0 devices. The 60W adapter ensures that you receive stable and fast data transfer during heavy-duty use, while a 10th port delivers 1.5amps to charge external devices. The attractive glossy black, white and blue finish looks modern and ...

National Youth Leadership Training

Paraprofessional is a title given to individuals in various occupational fields, such as education, healthcare, engineering, and law. Historically, paraprofessionals assisted the master professional of their field. In more recent times, paraprofessionals have become a professional in their own right, providing services which meet the needs of a particular recipient or community.
