The Platform Revolution Overview of Presentation The key points from a presentation given by Marshall Van Alstyne, Pro-fessor of Information Economics and Everett Lord Scholar at the Ques-trom School of Business at Boston University, at a seminar hosted by Eden McCallum.

### **Eden McCallum seminar, 27 September 2017**

Platform Revolution delivers the first comprehensive analysis of how platforms use technology to match producers and consumers in a multisided marketplace, unlocking hidden resources and creating new forms of value. When a company like Uber connects drivers with passengers, everybody wins- except traditional taxi companies, which are scrambling to survive. Assumptions about operations, finance, strategy and innovation all change. Platform Revolution explores the what, how and why of this ...
