Sustainability Marketing: A Global Perspective - Frank ...

Conventional marketing thinking is increasingly unable to cope with the ecological, social and commercial realities that confront mankind. This conceptual article presents a vision of an integrated approach to 'sustainability marketing' and highlights a number of innovative ways in which this differs from the conventional marketing management mainstream.

Sustainability marketing — An innovative conception of ...

Sustainability marketing is oriented towards the whole community, its social goals and

the protection of the environment. It requires the engagement of national and local governments, organisations and population as well as the necessary capital (human, financial, infrastructural, etc.).
