Sustainable Marketing Paperback - Feb. 4 2011 - Amazon

The essence of sustainable marketing is that you position your brand as an active figure in an environmental or societal issue. It can humanize your brand messages and create another reason why customers should choose you over your competition. But do not underestimate the commitment needed to participate in sustainable initiatives. These aren't simple 'buzzwords' or 'hot topics' - they are programs dedicated to reducing carbon emissions, increasing recyclable materials, and improving ...

What is sustainable marketing and how should you use it ...

What is sustainable marketing? To me, sustainable marketing is a plan that has sustainability within both the practice and the product. It's more than just a buzzword. It's a fundamental shift in consumer communication styles that lead with heart and stories rather than discounts and offers. It's the ability to take a step back and worry less about short-term profits and focus on long ...

Sustainable Marketing is structured around the traditional "4Ps" of marketing and explains how marketing mix decisions can and do influence environmental outcomes. Throughout the book, Donald A. Fuller advocates the conversion of consumption systems to a sustainable paradigm that represents a circular use of resources, not the linear approach (materials >products >consumption >disposal) that ...
