Rescued from oblivion and translated into readable English by widely respected modern occultist John Michael Greer, The Academy of the Sword is an astonishingly detailed instructional guide on the way of the sword as it was practiced in the age of the Musketeers. It covers every aspect of sword training from stance and footwork and the development of sensitivity and timing to hundreds of detailed techniques for overcoming opponents armed with all of the standard weapons of the time.

The Academy of the Sword: Thibault, Gerard, Greer, John ...

Between 1500 and 1800 fencing was known as "the art and science of defense." The books and weapons included in The Academy of the Sword offer an overview of ways in which fencing was taught and the arms with which it was practiced during these three centuries.
