Other editions. Enlarge cover Want to Read saving ... I was pretty excited to get it because it was a free e-book for my kindle. With a title like The Basement I figured it would be a pretty creepy story and also I thought the plot of the story sounded really good which is why I grabbed the story to begin with. After taking into consideration that this was only 13 pages long, I still thought ...

Xbox One with Kinect (Day One Edition) At this point, well after release, there is not much that I can add in a review that has not already been said and covered in depth, so I will just briefly offer up my perspective. I like the black box design, it disappears into your entertainment console. The Xbox 1 is a very silent machine. It is truly ...
