Les Bostoniennes (The Bostonians) est un film dramatique américano-britannique réalisé par James Ivory, sorti en 1984. Il est adapté du roman Les Bostoniennes de Henry James . Sommaire

### **Les Bostoniennes (film) — Wikipédia**

The Bostonians (1885-86) falls more or less in the middle of Henry James’s career as a novelist, ten years after his breezy debut, Roderick Hudson and sixteen years before The Wings of a Dove. Its nearest chronology-mate is The Princess Casamassima, with which it shares its unusual (for James) political theme.

### **The Bostonians by Henry James - Goodreads**

The Bostonians is a novel by Henry James, first published as a serial in The Century Magazine in 1885–1886 and then as a book in 1886. This bittersweet tragicomedy centres on an odd triangle of characters: Basil Ransom, a political conservative from Mississippi ; Olive Chancellor, Ransom’s cousin and a Boston feminist; and Verena Tarrant, a pretty, young protégée of Olive’s in the feminist movement .

### **The Bostonians - Wikipedia**

the bostonians a novel by henry james in two volumes vol. i macmillan and co., limited st. martin's street, london 1921 first published in 1886

### **The Project Gutenberg eBook of The Bostonians, by Henry James.**

The Bostonians is Henry James' most overtly political work and arouses a good deal of controversy for its satirical depiction of the feminist movement. Even at the time of its initial release the book was the subject of much discussion, receiving mixed reviews. James' treatment of the subject matter remains controversial, though the themes make

the book still fresh and pertinent today.

### **Classic Review - The Bostonians**

Henry James ’s novel The Bostonians, published as a serial in The Century Magazine in 1885-1886, then in book form in 1886, marks the beginning of James’s middle career. By this time, James has...

### **The Bostonians Summary - eNotes.com**

We must remember that James inspired another important literary figure who wrote about women and their positions in society, the inexpressible Edith Wharton. The Bostonians was not welcomed by many when it was published and it is even less popular today. James is not afraid to give an educated, eloquent and cultured voice to Basil Ransom. He is a man’s man and will not give quarter to Olive Chancellor simply because she despises him as a man.

### **The Bostonians: James, Henry, Butler, Cristopher ...**

First published in 1886, The Bostonians is one of James’ wittiest social satires. It begins with the arrival in Boston of Basil Ransom, in search of a career.

### **The Bostonians (1992 edition) | Open Library**

“ The Bostonians has a vigor and blithe wit found nowhere else in James,” writes A. S. Byatt in her Introduction. “It is about idealism in a democracy that is still recovering from a civil war bitterly fought for social ideals... [written] with a ferocious, precise, detailed—and wildly comic—realism.” Also by Henry James
