The Boy Who Couldn't Sleep

Max has been an unusual boy since early childhood. Now, when the boy is a grown up, his case is considered to be really unique. He doesn't need sleep like other people. In fact, Max can stay awake for about 20 hours every day without feeling tired. But his parents are worried that lack of sleep can influence his health in a bad way. They just want their son to be a normal kid. To their disappointment, the doctor confirms their fears. He says that the condition is serious and the boy can die ...
