Stickmaking, the production of canes or walking sticks, is a popular traditional craft in Britain. Some sticks feature elaborate carvings or fancy materials while others are more functional. Gowan, a founding member and former chair of the British Stickmakers' Guild, guides readers through the production of a stick, from the selection and harvest of wood through assembly, decoration, and finishing. Several designs are considered some from one piece of wood and others that are ...

This has been supported by an increasing number of large country shows and fairs where there is an ever increasing interest in sticks and the craft of making them. The majority of those making sticks now do so as a hobby with the desire to keep an ancient craft alive and pass on skills and knowledge to the wider public. These aims have been supported since 1984 by the **Stickmaking: getting a grip on this traditional craft ...** The Craft of Stickmaking | Gowan, Leo | ISBN: 9781861263759 | Kostenloser Versand für alle Bücher mit Versand und Verkauf duch Amazon.
