The Craft Of Translation

[The Craft Of Translation](#)

The Craft Of Translation

Written by some of the most distinguished literary translators working in English today, these essays offer new and uncommon insights into the understanding and craft of translation. The contributors not only describe the complexity of translating literature but also suggest the implications of the act of translation for critics, scholars, teachers, and students. The demands of translation, according to these writers, require both comprehensive scholarship in preparing to translate a text ...

These essays offer insights into the understanding and craft of translation. The contributors not only describe the complexity of translating literature but also suggest the implications of the act of translation for critics, scholars, teachers, and students. The demands of translation, according to these writers, require both comprehensive scholarship in preparing to translate a text and broad creativity in recreating the text in a new language. Translation, thus, becomes a model for the ...

T1 - The craft of translation. T2 - An interview with Malcolm Gladwell. AU - Gruber, Daniel A. PY - 2006/12/1. Y1 - 2006/12/1. N2 - Best-selling author Malcolm Gladwell talks about how he "simplifies and synthesizes" research in his books and articles with the goal of getting readers excited about the "academic study of ideas." The self-described "conversation starter" gives a glimpse into how ...

The craft of translation: An interview with Malcolm ...

The first ten essays of this book were delivered at a Symposium on Translation held at the University of Texas in November, 1959. If this Symposium had any single central idea, it was to bring together a group of professional translators sharing a common

stake in translation but committed in different directions.

The Theory and Craft of Poetic Translation. Authors; Authors and affiliations; G. Singh; Chapter. 7 Downloads; Abstract. Inseparably bound as Pound's critical and creative activities are, they are no less inseparably bound with his theory and practice as a translator. For what he translated, and the way he did it, played an important role in his own development as a poet and a critic. By ...

Mirrored Words - The Craft of Translation - YouTube

The nine essays collected in The Craft of Translation contain plenty of theoretical speculation about "working in the space between languages." Fortunately, though, most of the authors avoid getting bogged down in abstraction. Indeed, luminaries like William Weaver and Margaret Sayers Peden stick to a nuts-and-bolts analysis of exactly how one word gets chosen over another. And Gregory Rabassa's opening salvo ("No Two Snowflakes Are Alike"), which addresses some of the basic dilemmas of ...

Reviewed in the United States on January 22, 2010 This is a companion to Theories of Translation (recommended by the previous reviewer). The specific and thoughtful essays on craft are very helpful—they raise points and considerations most people do not consider until they are actually in the throes of translating. 4 people found this helpful
