## [The Curators Handbook](#)

### The Curators Handbook

The Curators Handbook is the essential practical handbook for curators and curatorial students, mapping out every stage of the exhibition-making process from initial idea to final installation. In his introduction, Adrian George traces the history of curating back to its origins in the 17th century and outlines the multifarious roles of the curator today, including as custodian, interpreter, educator, facilitator and organizer. Twelve chapters then chart the various stages of the exhibition ...

### Amazon.fr - [The Curator's Handbook: Museums, Commercial ...

While George's Handbook offers sensible advice for emerging or would-be curators, it takes a somewhat plodding approach to what can surely be a creative and critical process. Perhaps this is not surprising, given that the author works for a government art collection. Indeed, there is a distinct flavour of the civil servant ticking boxes and checking protocols behind this practical but uninspiring book.
