Morath's immense body of work has life at its centre. The photographer travelled around the world with her camera - she made the people and places of Spain, London, Paris, New York, Iran, China, the USSR, Italy, Tehran and others her subject over the course of many years. Her work is marked by a distinct sense of empathy; having learned many different languages and immersed herself in ...

The Extraordinary Life and Work of 20th-Century ...

A lovely book which tells the story of Angus MacPhee and the wonderful creations he made out of grass. But this is also a book about life in Uist, the effect of war on rural communities and mental health care practices in Scotland in the mid to late 20th century.

The Silent Weaver: The Extraordinary Life and Work of ...

Our mission is founded upon these beliefs: to radically evolve society's view of work and education and create a tribe of 1 billion people that strive to live an extraordinary life. To accomplish this, we ignite a process of self-discovery in the people we impact and enable them to challenge societal definitions of success and fulfilment and define what an extraordinary life means for them. This journey begins during an Extraordinary Life session and continues as part of our Extraordinary ...

A global community of ordinary people that seek to live life with intention and purpose.

This ExtraOrdinary Life

Be Extraordinary at Work is a live online coaching program with Vishen Lakhiani. Twice a week for six weeks, you'll join Vishen on a live group session, as he guides you through each step of his framework for mastering your work and your life. Every step of the program is designed to revolutionize your personal models for working and living. This happens through Vishen's unique all-encompassing approach that merges neuroscience, personal growth, modern spirituality, and other leading ...

Introducing Be Extraordinary At Work by Vishen Lakhiani

The difference between an ordinary life and an extraordinary life is only a matter of perspective. Your present circumstances don't determine where you can go, they merely determine where you can start. Change can enter our lives silently and this change can be just as important as change we have worked hard for.
