Easily read in an afternoon, Mark Fisher's Instant Millionaire is a wonderful introduction into the concept that we create our reality. Although Fisher is mainly concerned with how we create our financial future, his insights translate to all areas of life. If you like parables, this will be a particularly enjoyable read. It's not heavy-handed in making you "get it." It's simply the story of a young man who consults a rich uncle on what he should do to get rich. What the uncle tells him ...

### **The Instant Millionaire by Mark Fisher - Goodreads**

This complete summary of the ideas from Mark Fisher's book "The Instant Millionaire" explains how achieving wealth is actually quite straightforward. In his book, the author demonstrates how you can get what you want out of life by setting specific goals with deadlines and channeling all of your energy and actions towards those goals. According to Mark Fisher, the only limits to your achievements are the ones you set for yourself. Read and apply the advice in this book to find out how you ...
