### **The Legal Aspects of Bank Insolvency - GBV**

The Legal Aspects of Bank Insolvency compares the legal framework for dealing with insolvent banks in Western Europe, the United States and Canada, identifying the distinctive features of each regime and discussing the main issues and choices in dealing with failing banks. It also examines the implications of a cross-border bank insolvency, and considers different approaches to the problems it raises, including the supranational approach of the proposed European Directive on the ...

This booklet briefly describes the main legal aspects of the Bank's governing structure and activities. Part I deals with the institutional setting and describes the organizations comprising the World Bank Group, the Bank's governing organs and its relations with outside parties. Part II describes briefly the legal aspects of the Bank's

### **THE WORLD BANK: LEGAL ASPECTS**

In addition to UCC Article 4 (again, state law), the federal Expedited Funds Availability Act—also referred to as “Regulation CC” after the Federal Reserve regulation that implements it—addresses an aspect of the relationship between a bank and its customers. It was enacted in 1988 in response to complaints by consumer groups about long delays before customers were allowed access to funds represented by checks they had deposited. It has nothing to do with electronic transfers ...

### **Legal Aspects of Bank Bail-Ins - Clifford Chance**

In certain circumstances, the autonomy of demand guarantees and letters of credit may be ignored by the bank and regard may be had to the terms and conditions of the underlying contract. The main exceptions concern fraud and illegality in the underlying contract. In this thesis a great deal of consideration has been given to fraud and illegality as possible grounds on which payment under demand guarantees and letters of credit have been attacked (and sometimes even prevented) in the English ...

the Legal Department. The area of the Bank that deals with legal research and advice has acquired substantially broader duties and powers in recent decades. In addition to preparing opinions and assisting in pleadings, increasingly it has worked closely with the Bank's Directorate in the fields of banking supervision and central banking. Paolo made an important contribution to the acknowledged prestige
