The guards passing us were completely indistinguishable from one another until a set of green eyes locked with mine. Aspen didn't look afraid or even startled. There was a problem, and he was on his way to fix it. That was simply who he was. Our gaze was brief, but it was enough. It was like that with Aspen. In a split

The One by. Kiera Cass. 6/20/2015 0 Comments We finally find out who America Singer has chosen, and who has chosen her in return. I for one, was super excited with the love triangle. The best part of the triangle was the characters personalities. The ending of this book finally puts everything into perspective with their relationships. If you have read the series you that the relationships ...
