They point the way to genuine love of self, others, and the Divine. The lectures cover the wide spectrum of our human journey, from our struggles with self-doubt, self-hatred and fear of inadequacy to the barriers we put up to relating with others, and ultimately with what we each know as God. The lectures teach that vital life energy, feelings and insight are often buried under misconceptions about the nature of reality. We are all familiar with some of these wrong conclusions. For example ...
