The Political Morality of Liberal Democracy Résumé In this important new work in political and constitutional theory, Michael J. Perry elaborates and defends an account of the political morality of liberal democracy: the moral convictions and commitments that in a liberal democracy should govern decisions about what laws to enact and what policies to pursue.

### **Political Morality: A Theory of Liberal Democracy: Richard ...**

In Political Morality, Richard Vernon sets out to show that liberal democracy can make sense as a single political conception, rather than a trade-off between two different values. He also argues...

### **Political Morality: A Theory of Liberal Democracy ...**

As with the discussion of religion and human rights, a chapter-length treatment cannot explore all of the most relevant issues and arguments. Nevertheless, The Political Morality of Liberal Democracy is an important and timely book, with much to offer those working in political philosophy and constitutional law. It brings together in a unified theory the many ideas of one of our most distinguished commentators on the proper role of religion in law and political life.

### **The Political Morality of Liberal Democracy // Reviews ...**

Liberals have moral compasses in the sense that, being human, they have moral sentiments — that is, in the sense that a compass is still compass even when it points unwaveringly at a nearby magnet....

"The Political Morality of Liberal Democracy is a focused, original, and important contribution to the discussion of religion and liberal democracy. Perry focuses on two of the most controversial cases in current debate: abortion and same-sex unions; and he offers a theoretical account of liberal democracy that reframes the terms in which those debates should be conducted. The argument of the book is clear and compelling.
