### **The Sins Of Mother Danielle**

I've said it before and I'm saying it again - Danielle Steel is the queen of fairytales! I have just finished "The Sins of the Mother" and although it's not her best book, it is a relaxing and enjoyable read. A fairytale placed in a world unknown to most of us. And contrary to many, I think it is nice to read about beautiful chateaux in exotic places, a holiday on a luxury ship with unimaginable luxuries, shopping trips in Monaco (maybe the most expensive designer stores in the world ...

Sins of the Mother is the latest of Danielle Steel books, and it brings what fans have come to expect in a Danielle Steel novel - beautiful people, beautiful places, and emotional drama. In this case, the mother is Olivia Grayson. She has spent her life building a worldwide business empire. She has provided for her four children in every way except that she was rarely present during their childhood. Now that they are all adults, that fact and their emotions surrounding it still continue to impac

### **The Sins of the Mother by Danielle Steel - Goodreads**

I am an avid Danielle Steele reader; I own every novel she has published. "Sins of the Mother" is about Olivia Grayson who is a very ambitious business woman and part time Mother, if that. Her children were raised by her Mother and Husband. The story tells how her now adult children feel about all the times she has missed out on and holds her accountable. Oliva's way of trying to make amends is taking them all on a luxury vacation once a year. I can't believe I am saying this about a ...

Signs of a Mother (Danielle) on Thursday, June 18, 2009. Yesterday I cried as I looked down at my saggy, stretch-mark belly. It complimented my fat hips and newly formed "mom-butt". My boobs were unshapely under the bras that don't quite fit and my once cute panties have seen better days. My skinny jeans sit in the bottom of a box along with the tank tops I'll never wear again. As I ...
