In The Sports Strategist: Developing Leaders for a High-Performance Industry, authors Irving Rein, Ben Shields, and Adam Grossman demonstrate that relying too much on winning is a losing long-term strategy for dealing with these challenges. Instead, they argue that sports organizations must focus on identifying and maximizing key factors that, unlike winning, can be controlled and shaped. By building a more well-rounded business, sports strategists will position themselves and their ...

The Sports Strategist: Developing Leaders for a High Performance Industry takes the reader into the quickly growing and evolving sports world. Now more than ever, the sporting landscape is crowded with competition for the increasingly precious sports fans dollar. This challenge has been increased by the fact that technology is increasingly making it easier for fans not to come to games. The Sports Strategist is all about dealing with the challenges that this new world of sports ...

The Sports Strategist: Developing Leaders for a High ...

Coaching Leadership and The Role of a Coach. Sports coaches are powerful role models and leaders of their athletes, team brand and community. As a result, coaches play a multifaceted role in the life of athletes. It's a role that goes beyond merely teaching the tenets of a sport. Instead, a coach must be able to properly manage and organise a sports program where they combine a number of ...
