The Survival For Kids With

How can kids diagnosed with ADD and ADHD help themselves succeed in school, get along better at home, and form healthy, enjoyable relationships with peers? In kid-friendly language and a format that welcomes reluctant and easily distracted readers, Free Spirit's newest survival guide helps kids know they're not

The Survival Guide for Kids with ADD or ADHD by John F. Taylor

Kids with LD can learn—they just learn differently. Young people labeled with a “learning disability” or “learning disorder” will find a welcome resource in this fully revised and updated survival guide. The book retains the warmth, affirmation, and straightforward approach of earlier editions while incorporating current information about why some kids have LD and what supports are available, including new technologies. It defines different kinds of LD, describes a range of ...
