The Tao of psychology : synchronicity and the self : Bolen ...

The Tao of Psychology is the perfect introduction to the parapsychology of meaning where synchronicity imbues greater significance to coincidental events in our every day lives. The book is brief and easy to read. She captures Jung's ideas of archetypes and the collective unconscious perfectly, encouraging what she calls the Agatha Christie approach to detecting and analyzing synchronicity. She adds an important intuitive perspective by developing Jung's thoughts as they relate to the ...

The Tao of Psychology: Synchronicity and the Self - Jean ...

By relating the concepts of Tao and synchronicity, Dr. Bolen reveals important links between psychology and mysticism, right brain and left, the individual and the external world. The Tao of Psychology provides the key for each individual to interpret the synchronistic events in his or her life and gives fresh insight into the relationships, dreams, and flashes of perception that transform our existence.

The Tao of Psychology: Synchronicity and the Self: Bolen M ...

The tao (lowercase) is the life path that is in harmony with the universe, the "path with heart." Jung believed that all people and all animate and inanimate objects are linked through a collective unconscious. Synchronicity, he said, was a connecting principle

that manifests through "meaningful coincidences." Bolen proposes that synchronicity is the Tao of psychology; it relates the individual to the totality. She makes good use of anecdotes to explain Jung's layers of consciousness, the ...
