The ultimate guide to persuasive business writing

The Guide to Persuasive Business Writing: A New Model that Gets Results will transform students into competent persuasive writers. It includes many examples of documents students will be likely to create at some time in their career. Remember, on the first day of the job, every day on the job, one will be creating their own narrative, writing their story, creating an image. And the quality of the story will depend on how you communicate it. Good persuasive writing will have much to do with this.

The Guide to Persuasive Business Writing: A New Model that ...

The main reasons we use persuasive writing are: To boost morale. To show commitment to customers. To show commitment to investors. To show commitment to partners. To show commitment to staff members. To encourage repeat business. To increase brand awareness. To increase sales. To win back lost business. 'It's all about you' is the most important technique we use in persuasive writing. This technique, which produces goodwill and favourably influences people, is crucial in business ...

Too much business writing has an "I" or "we" viewpoint, which causes the writer to sound selfish and not interested in the reader. If you want to get your point of view across, convey information, or persuade the reader, you have to talk in terms of the reader's interests, hopes, wishes, and preferences.
