This book can teach you what separates the haves from the have not's. It can teach you the keys to running a successful chiropractic office that is not only enjoyable to work in but one that is also extremely profitable. It can teach you how to better manage patients and get them motivated to finish your treatment protocols. It can show you how to become a better healthcare leader and how to better manage your staff. But most of all it will give you a sense of direction.

Even if your ultimate goal is to have all of your chiropractic marketing done-for-you, it is still your responsibility to understand your chiropractic marketing. You are responsible to know which done-for-you chiropractic marketing is the best fit for where your practice is and where you want it to be. Concept #6: Tools vs Services. It's important for chiropractors to understand the ...

Some say that it is getting harder and harder for chiropractors to become successful. The median chiropractor earned \$85K/yr. in 1985 yet today the median is only \$67K/yr. At first glance it appears we are in a dying profession. However, many chiropractors continue to earn 4 to 5 times the national median wage. What separates one doctor from another?

### **The Ultimate Chiropractic Practice: How You Can Double ...**

While we can't ignore that fact, the decision to buy a chiropractic practice and enter into your next practice mode should not be an emotional decision. Get objective counsel, seriously weigh your options and do it with a level head. A few months down the road, your irritation about your associateship will likely fade; but your loans to buy or build won't. So, enter into your new relationship leaving the old one fully behind and moving forward with a clear head.
