### **Amazon.fr - Theories of Development, Third Edition ...**

The authors examine orthodox theories of growth grounded in different schools of economics (classical, neoclassical, Keynesian, neoliberal) before considering critical alternatives (Marxist, socialist, poststructuralist, and feminist). The book elucidates the basic ideas that underpin contemporary controversies and debates surrounding economic growth, environmental crisis, and global inequality. It highlights points of contention among the various theories, links them to historical and ...

### **Theories of Development, Third Edition: Contentions ...**

"The second edition of Theories of Development lives up to its ambitious title, as did its predecessor. Packed with ideas and arguments, much of the text has been recast and updated, for example, its prescient (in light of the present global crisis) critique of neoliberalism. This is a scholarly and well-referenced book that is an ideal text for upper-level undergraduate and graduate programs in international and development studies, geography, and other social sciences focusing on social ...

### **Theories of Development, Second Edition: Contentions ...**

"Theories of Development, Third Edition, is a rare text covering the entire range of arguments, from classical and neoclassical economics to poststructuralism and

feminism. The authors mount a devastating critique of mainstream economics, exposing its utterly contrived assumptions as well as its devastating consequences, especially for poorer people. But this is also an inspiring book, with a conclusion focused on alternative theories within a politics of a true democracy. A tour de force ...
